2) The Structure of BCURA

Historically BCURA comprised Members, Members of Council and Members of the Industrial Panel. Following completion of all operational activities, a new and simplified structure was agreed.

This simplified structure comprises three Members of BCURA and three Members of BCURA Council and will enable BCURA to deal with any future business issues that might arise. These are:-

Members of BCURA

Professor J S Harrison
Professor W G Kaye
Dr D J A McCaffrey

Members of BCURA Council

Professor J S Harrison, Chairman and President
Professor W G Kaye, Vice-President
Dr D J A McCaffrey, Vice President

The quorum for meetings of BCURA Council is two persons.

The Members of the various BCURA bodies when BCURA was still operational are presented in the following table. The remaining Members of BCURA thank all those listed for their contribution to and support of BCURA over the years.

Member of BCURA **(Representative of Member)**	**Member of BCURA Council**	**Member of Industrial Panel**
